HEROES DESCEND ON THE TWIN CITIES!

Convention Operations and Answers

General Rules

Our convention has a number of rules, policies, and regulations that help make the convention run smoothly and be as fun as possible for everyone. We encourage you to read our rules to understand what is expected to help make the best, most successful, and most fun weekend possible. In addition to these general conduct policies, we also have rules and guidelines for cosplay, press, exhibitors, and others. Violations of these rules and responsibilities can result in loss of privileges, up to and including ejection without refund, legal action, or involvement of the authorities.

Rule Number One: Do not do anything that could make the convention less fun for other attendees, the hotel, the staff, or for yourself. If it's dangerous, obnoxious, uncomfortable, or otherwise, do not do it. It is all of our responsibility to let everyone have a safe, respectful, and fun weekend.

If it is illegal outside of the convention, it is illegal here. Excessive or underage alcohol use, drug use, harassment, carrying firearms, and many other things are illegal, and will result in your loss of the privilege to attend our convention. If you have a safety or security concern, bring it to the convention's operations center immediately. In emergencies, dial 911.

If you are hosting a party where alcohol is being served, it is your responsibility as host to ensure that the age of anyone drinking alcohol is checked. You should also designate someone not to drink, so that there is a fully competent person present to deal with any emergencies that might arise.

All attendees must wear their badge at all times throughout the convention, and it must be presented to convention staff on request at any time. Selling anything of any kind at the convention is prohibited unless you are a registered exhibitor with the convention. Pets and animals are not allowed in the convention space or hotel, unless they are working animals (such as seeing eye dogs). Smoking is not allowed in our hotel. Photography and video recording of any kind are strictly prohibited during any AMV contest or show screening. These rules apply to all types of attendees, including exhibitors, press, and other congoers. We may also establish additional policies covering press, exhibitors, and others.

By attending the convention you understand that convention staff may take video footage and photographs throughout the convention which may be used in highlights, marketing endeavors, or other media. You consent to be filmed or photographed by staff, approved industry, or media during the entire convention without compensation to you. Your attendance constitutes a grant of rights to the convention to reproduce, display, distribute, perform, creative derivative works of, or otherwise use any video or pictures that it obtains and in any manner throughout the world in perpetuity, including online, for broadcast, or other transmissions.

The convention's code of conduct and other rules are subject to change at any time, and without notice, at the discretion of the convention. Violation of the rules is grounds for immediate loss of your convention badge and suspension from the convention.

Any form of harassment, bullying, or stalking will not be tolerated at our family-friendly event. Staff have final say in all matters at the convention, and reserve the right to remove anyone from our event for any reason.

Weapon and Large Prop Rules

All weapons and large props must be inspected and approved by our operations or security staff at the convention. We will then "peace mark" them, by affixing a ribbon or mark that indicates we have checked them, and, if necessary "peace bond" them by using ribbon or ties to keep your weapon from being drawn or used (for example, by someone who doesn't know the rules and sneaks up behind you and grabs it). Attendees must realize that it is a privilege to bring large props and weapons to the convention, and everyone must take great care to be careful not to damage things, whack people, or otherwise do anything that seems dangerous. We allow certain specific prop weapons and large prop items, but anything not listed below is not allowed. Please understand that due to crowding, space, or safety issues, we may have to change the rules mid-convention at any time.

Guns: Semi-realistic looking guns are only allowed if they have a very bright, obvious orange tip that shows they are non-working and can be obviously seen from a distance. Guns that actually work, or have the potential to work, or might be mistaken by the public as real, are not allowed. Toy or fantasy guns that are "obviously fake" are allowed.

Swords: Swords are allowed if they can be tied shut in their sheath, or if they are made of wood or plastic. Swords must never be waved around or wielded, but they can be used for still posing for photographs.

Bows: Toy, or otherwise wooden or plastic bows can sometimes be okay, but professional or compound bows are not. Equipping an arrow to a bow is absolutely never acceptable, even for photos.

Large Props: Large props are generally okay, if you are extremely mindful of them. However if we find that we have large crowds, or if they become a problem, we may ask you to return them to your hotel room or car at any time. We will not store them for you.

Pretend Weapons: Anything that is entirely obviously a play/pretend weapon that can not be mistaken for something that is actually a real weapon.

Any weapons or props may be disallowed at any time at the discretion of management. Please understand that during times of peak attendance

How can I contact convention staff?

Find us in the "Con Ops" operations office on the second floor of the Hyatt near the escalators. Should you need help, have an emergency, or anything else, Con Ops is a great resource. For general questions, you can ask any staff member you see.

What do I do in an emergency?

Our operations center should be your first stop if you need immediate and urgent assistance. In especially dangerous or life-threatening emergency situations, you should call 911 immediately. If you are unable to safely and quickly make it to Con Ops, please inform the nearest available staff member immediately. If you witness an emergency or need help, please go to Con Ops and ensure the situation is resolved.

Who do I talk to about special needs?

Individuals with special needs who need accommodations are encouraged to attend our programs. If you are an individual with special needs in need of an accommodation, please see us in Con Ops. For hotel related special accommodations, please see the hotel front desk staff.

Where do I submit feedback/suggestions?

Your feedback is extremely important and valuable to us, and we encourage you to share both your negative and positive experiences with us, so that we can use your feedback to make a better convention every year. We collect your email address when you register so that we can email you our feedback survey, which is why it's important that we get a good email address. The feedback from these submissions are reviewed multiple times every year, so your comments will be noticed.

Do you have tips for parents?

We encourage you to plan ahead with your children about where you might meet up if you are separated in the massive crowds. Write your phone number on the back of the child's badge if possible, and keep a description of what they are wearing. Children 13 and under must be attending the convention with a parent or guardian, and children under 7 must have a guardian with them at all times. Please read all event descriptions, as some events may not be suitable for children.

What should I do after the con?

Post con blues? Check out: AniMinneapolis (May 8-10, 2015) right here, or if you can travel consider coming to Chicago for Con+Alt+Delete (December 19-21, 2014 in Rosemont, IL). Also join us on Facebook in the "Find Meta Con Friends" group to find long lost new friends after the convention is over!

Can I host a party in my room?

Room parties are up to you, but we have several reminders. If you receive repeated noise complaints, the hotel may and will evict you from your room. If you serve alcohol to minors, the police will give you a court date. If serving drinks or showing adult material, check the government-issued IDs of every last person, and don't even let anyone underage in your room. Violations of these rules can result in removal from the convention, revocation of your convention badge, and possibly involvement of the proper authorities.

Can I join staff or volunteer?

We would love your help! Stop by our Con Operations room and inquire about volunteering. Volunteer perks range from getting food with staff to free admission for next year. Staff members must sign up in advance on our website, and we encourage you to think about it for next year if you would like to help out. It's a great experience, filled with awesome people to meet.

Please remember these attendee tips!

Eat Two Meals Each Day

We have a ConSweet filled with free pop and free rice, but even Kirby can't live off this stuff alone. Getting regular meals, complete with protein, vitamin-C, and real nutrients, is important to keep your body from getting worn out. Eat at least two real meals per day. Consider ordering delivery, or getting some friends together to go out somewhere.

Sleep Each Night

You need to get at least six hours of sleep each night to fully enjoy the convention. While staying up is fun and exciting, most events end by 2am, and you won't have as much fun if you stay awake all night. Get some sleep and enjoy the next day rested!

Shower Daily

Whenever you are having a ton of fun, sometimes it can be hard to remember to stop and think about others. Please, as a courtesy to other attendees who may be standing behind you in the autograph line, shower every day!

 Let's discuss how so many great writers like Emma Bull, Will Shetterly, Lillian Stewart Carl, Lois McMaster Bujold, Steven Brust, and Kelly McCullough, to name a few, all come from Minnesota. Is it something in the water? Ley lines? Critical mass of talent? Really great writing circles? Can it be exported? And who are the other authors we should be reading who hail from the Twin Cities?
